

I can make a

crescent

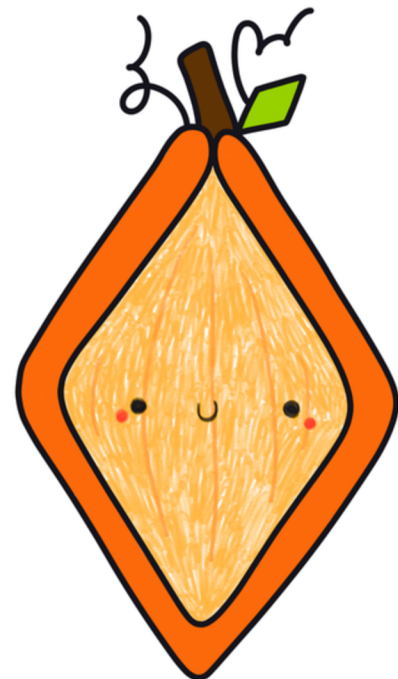

I can make a

parallelogram

I can make a

heart

I can make a

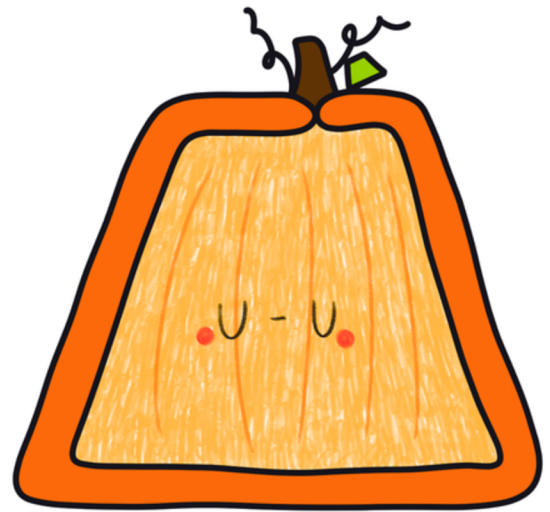

rhombus

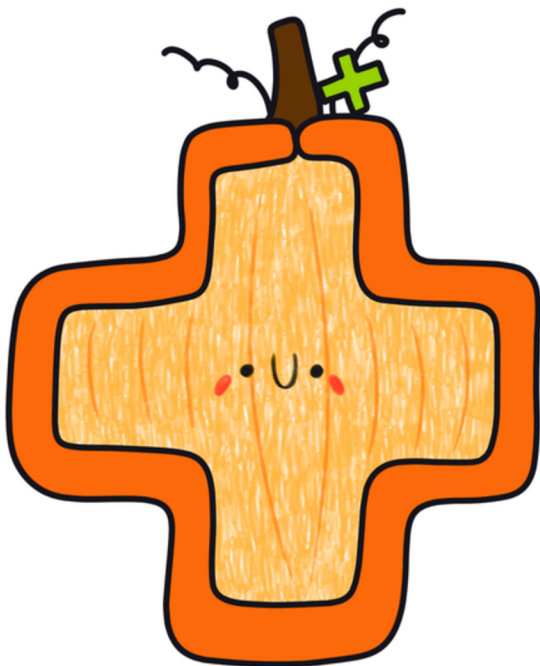

I can make a

star

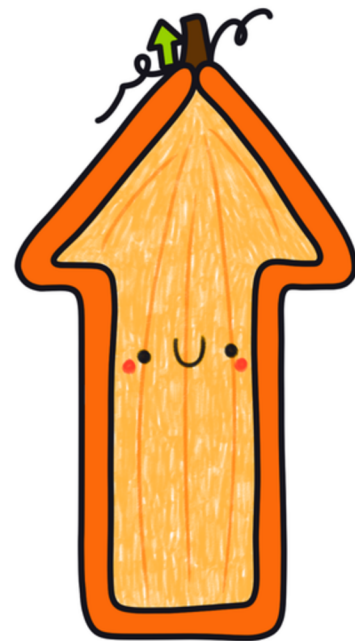

I can make a

trapezoid

I can make a

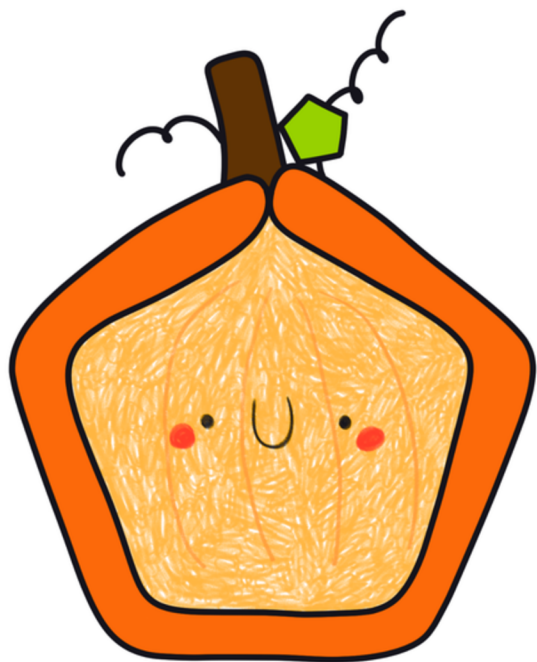

cross

I can make a

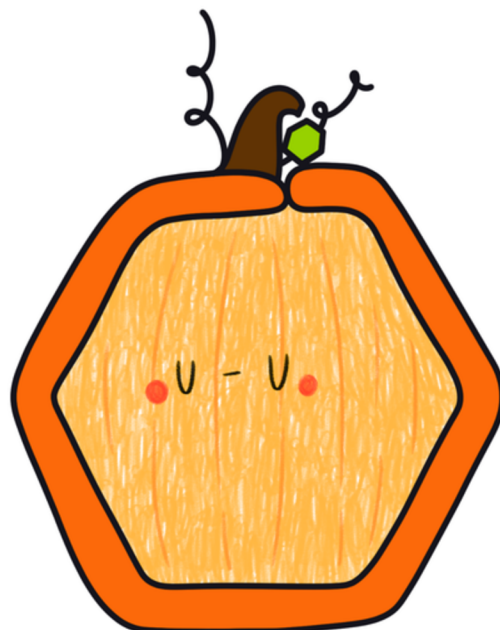

arrow

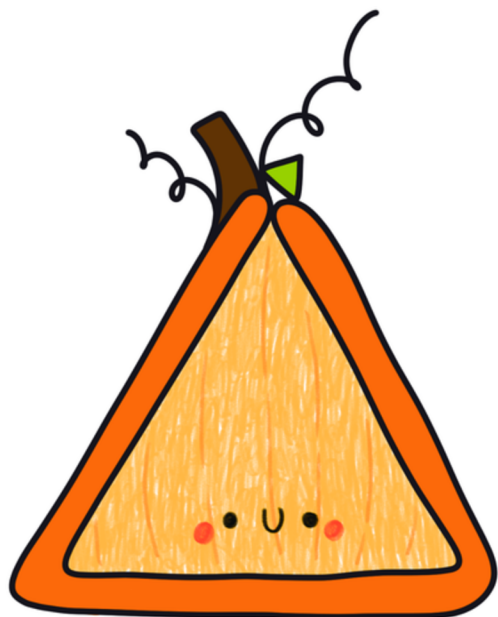

I can make a

pentagon

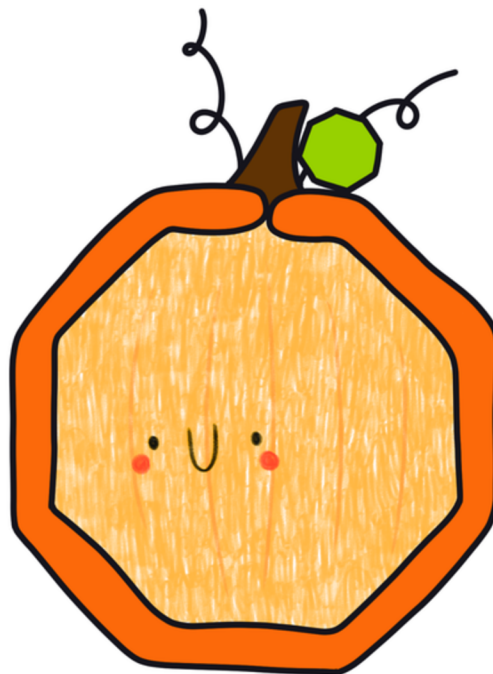

I can make a

hexagon

I can make a

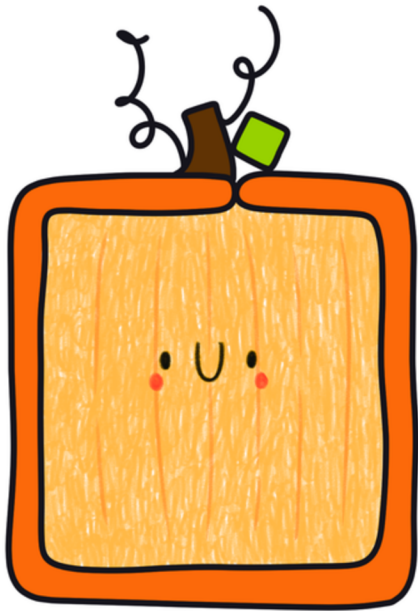

triangle

I can make a

octagon

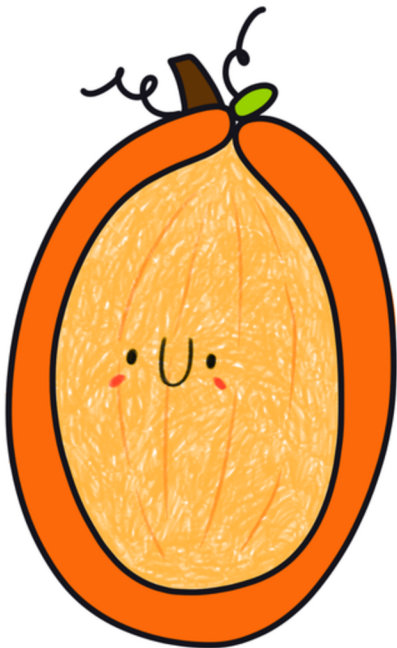

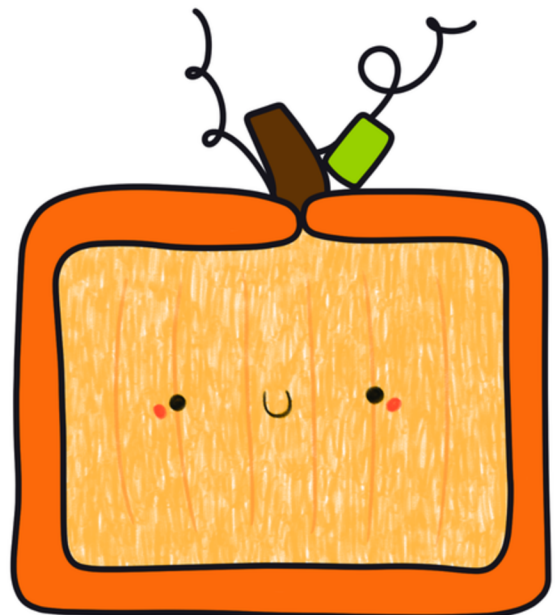

I can make a
square

I can make a
circle

I can make an
oval

I can make a
rectangle
